Subject: CFAC Surface Water Sampling on Flathead River Update
[removed.txt](#)

Hi Mike,

Just wanted to shoot you a quick note to let you know that FedEx lost our surface water samples from the day we did the sampling on Flathead River with the boat (9/8/2016). We are working with our boat subcontractor to schedule another sampling event. It will most likely happen this Friday 9/16/2016 as long as the weather is ok.

Let me know if you have any questions. Thanks.
